

### Invasive Garden Plants of the Surf Coast Shire

Torquay, Anglesea, Fairhaven, Lorne, Deans Marsh, Winchelsea & Mount Moriac

The following common garden plants can be invasive in our parks and reserves that protect our unique native flora and fauna. If you own property in the Surf Coast region check the plant list below before you buy plants for your garden. Please do not plant any of these potential garden escapees in your garden and do you bit for the environment. You can make a difference.
